“ While I haven't seen you since we were young girls, I have many fond memories of the times we spent together when you visited your Grandma Shirley Clark in Springfield, VA. You were always so bubbly and fun! I hope you are at peace now and my thoughts and prayers are with your family during this very sad time.

“ Jody, Shawn and I are so sorry to hear about the loss of your beloved wife. I only had the pleasure of meeting her once at that manager party this past January, however in that one meeting I walked away thinking, "wow what a kind woman she is". In the days to come I hope you can find peace and comfort, look for her in your daughters eyes, the songs on the radio, and the memories you have together. Our family is sending yours many prayers your way and if there is ever anything you may need just know we are only a phone call away.
