“ Graham, Anne, David, Jeff, and Gary, Our thoughts and prayers are with all of you and your extended family at this time of loss. I have such fond memories of Jackie - almost as another "aunt" since I am closer in age to the "kids" even as we become older ourselves. Her passing reminds us that time is passing for all of us and we do well to relish the special times we have with those we love. She was certainly one who loved genuinely. I know you will miss her positive disposition, caring attitude, and winning spirit. God bless each of you as you celebrate her life well lived and the hope that we share for a great reunion!
