“ My heart goes out to my nieces, Nephew & Jackie's grandsons at this sad time in all of our lives. She will be greatly missed by all of us. I have known Jackie for 52 years. We always thought of each other as the sister we both never had. We were so close & spent time with each other a lot. One Christmas Eve, Jackie came up to our house to drop off the presents & introduced me to her brother. I was 15 yrs. old at the time & so was he. I was decorating the tree & was shy. Jackie was dating my cousin Charlie at the time & had gotten engaged. It was at their engagement party that her brother Freddy asked me to dance. Soon after that we were together forever. The four of us used to get people so confused because I'd introduce Jackie as my sister-in-law & then say, but she's also my cousin. We'd do the same about Charlie. We would always laugh about that. I have so many memories that I will cherish forever. Jackie told me about 5 weeks ago : Di, hold onto the memories.....I loved her & will miss her a lot.##imported-begin##Diane Siudym##imported-end##
