“ I have such fond memories of summer vacations at Aunt Jackie's. She was always the "FUN" aunt! I loved her like my second mama. She always reminded me to "hold your shoulders up" or you will grow that way! I never forgot and passed that wisdom on to my daughter, Nashion. Tell Bettye and Jack we love and miss them and save us a place at the King's table for we long to be there with you. Peace be with you all, in Jesus name. “ Dick & Jackies Family, Jackie and I have been best friends since the day she and I walked the isle together to join First Baptist Church of Murrells Inlet. We became as close as two people could be and we cried together, laughed together, played together, did our WMU (Mission) work together. This is what true friends do. I will miss her, but so glad she is not hurting and is at peace with God now. MY thoughts and Prayers will be with each of you. “ Precious in the sight of the Lord is the death of his saints Proverbs 116:15. The Lord gave me this verse when Jackie's sister, Bettye(my Mother)went home to be with Him. It gave me comfort and I pray it will do the same for all who loved her. For all who beleive, this is not our home, we are only passing through, until God calls us home and we see our precious loved ones again. God be with you and His face shine upon you as you walk through this valley of grief. Our prayers are with you. With the love of Christ, we are there in spirit. “ My love and blessings go to my sweet cousins, Cheryl, Jimbo, Scotty and Uncle Dick. Aunt Jackie was so sweet and always could make me laugh, I will never forget when Granny was in the hospital once, we were all sitting in the waiting room and she saw one of those rag mags about all the actors in Hollywood and it was when Ted Dansen was dating Whoopi, she made us laugh so hard talking about how she would no longer like Ted Dansen or watch anything he played in, that she was NOT a fan of Whoopi's, but her expressions just made Norma and I laugh out loud. And she didn't care who heard her either, but she had the heart of an angel and would do anything to help the ones she loved. I always wanted to come see her in SC but never have been able to make it there, it was her paradise and she loved it, and always made me feel welcome to visit and I'll always regret not being able to make that visit. I know she is up there with my dad and mom now and her sister Betty, and granny so she is happy and free of pain and that we can be sure of...I loved her so much and love my cousins too. God Bless you all and know I am there in spirit and after loosing our mom, I know your grief is deep, I'm just a phone call away if you need to talk. My love and prayers are with you all. Love you Aunt Jackie, keep them laughing in Heaven! Gwen###imported-begin###Gwen (Lewis) Casados###imported-end###

“ You always know who true friends are because they have the heart of Jesus. They hold you when you cry, walk in when the world walks out, lifts you up when you fall down and never betrays your trust. My Jackie, my friend, my sister in Christ will always live in my heart and she will be with me because she loved me and saw me through the eyes and the heart of Jesus and I will never forget her because she lives in my heart the way Jesus does, Unconditionally tried and true ! Rejoice in comfort and peace my precious friend. Love ya,
