September 2, 1928 - May 19, 2021

Surrounded by her loving family, Jacquelyn Huggins Cannon, age 92, died Wednesday, May 19, 2021 following a short illness.

She was born September 2, 1928 in Winnsboro, SC, a daughter of the late M.B. and Maude Faircloth Huggins.

She graduated from Conway High School in 1945 and from Winthrop College in 1949 with a bachelor's degree in home economics. She taught home economics at Aynor High School and moved to teaching Science at Conway Junior High and Conway High School.

She obtained a master's degree in education and a second master's degree in education with an emphasis in science. She remained at Conway High School until her retirement.

Mrs. Cannon worked with Clemson Extension on several surveys, taught nutrition to nurses for several summers with the career center, and served as a cooperating teacher with Coastal Carolina, having the enjoyment of a number of student teachers sharing her students.

She was named "Master Teacher" by one of her principals and was elected Teacher of the Year by her peers. Her National Energy Education Day Club (NEED) won first in the state contest and second nationally.

helped the school prepare for the Southeastern Student Council Convention. Leaving CHS, she moved on to Richard M. Lovelace Attorney's office as a receptionist for 16 years.

Mrs. Cannon was as committed to her home and church as she was to her career. She was a charter member of Trinity United Methodist Church, serving in various positions and was church historian for 20+ years, helping with the writing of a 50-year history and many heritage Sunday celebrations.

“ Mr. Jordan, my sympathies and prayers are with you and your wife at this time. Jackie was one of a kind. As a fellow home economist, I was proud to know her. She was always so loving and gracious to everyone. You couldn't help but feel good around her, because she was like a ray of sunshine even on the cloudiest day.

“ Pat and Mike sorry I could not visit you during this difficult time. You may or may not know I am restricted in getting out just now. You know and we all know your mother was an exceptional woman. Strong willed and impeccable character. This world needs more like her. Know that I am thinking you. Cherish the many memories.

“ *Our MOM:
My mom's a woman like no other. She gave us life, nurtured us,
taught us, dressed us, fought for us, held us, shouted at us, kissed
us, allowed us to be our own man and woman even though she
didn't always agree with my personal and professional choices, but
supported us in whatever road we chose. But most importantly she
loved us unconditionally. And always went about doing good as
anonymously as possible!*

*I don't have enough words I can say to describe just how important
my mom was to us and our extended families, and what a powerful
influence she continues to be.*

*We miss you MOM, God's Speed.....we will see you and DAD again!
We Love You.....*

“ *So many fond memories of her n Henry at Trinity Methodist Church. So devoted to the church. Jac did a wonderful job with the history of the church, mainly because she knew everyone in Conway. She n Henry were a fantastic example of what love between two people should be. They loved the Lord and were faithful members of TUMC. What a legacy they leave. They will be missed by so many. My thoughts and prayers are with the family.*

“ Mrs. Cannon always had a beautiful smile on her face! Where ever you saw her, there was a smile. I am very glad I got to know her through Richard Lovelace's Office. Our paths would not have crossed otherwise.

To her family, please know that I pray for your comfort. Parents are special anchors in our lives. When one or both have passed on, you have to hold tight to those memories. From the smile on Mrs. Cannon's face, I know those memories were good ones.
