“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Dear Clay,
My deepest sympathy to you and your family on the loss of your mother. I am sure there was much joy on the Rainbow Bridge as all her "little folks" spied her and took off to greet and join her. I am sure she looked like St. Francis with all her beloved little ones joining and following her to heaven. Eternal rest grant unto her, Oh Lord, and let perpetual light shine upon her. May God bless you and your family,

“ My favorite memory of Jackie is when we were at CHS. Her mother surprised her with an evening dress she had made for Jackie to wear in the Miss CHS pageant. It was made w/love, but had lots of lace and ruffles, definitely more of a '50 vibe. Jackie held her head high and wore it w/o complaining. To me, that was a lesson in class, character, and respect. We were not close friends, as I was an underclassman, but I would have done anything she asked me to do! Sometimes a small act makes a big impression on someone else? *Becky Ricks Floyd*

“ George,
All of us that knew Jackye, know how truly blessed we all were to have a very special Angel among us here on earth. God gave us a wonderful gift in Jackye and we will miss her dearly. Her courage and inspiration, her sense of humor, her ability to have fun, no matter what and her loving nature were just some of what made her so wonderfully special. Our lives and so many others are so much richer because she was a part of it. While she has gone ahead of us... we will see her again. And all the love and the joy that she so full of will continue to live on through all of us until we meet again. We love you Jackye and we love you too George! God Bless you in His peace...

“ George,
We are all going to miss Jackye very much. She was so vibrant and full of life. The world will not be the same without her, but we can praise God that she is now cancer-free and no longer suffering through surgeries and doctors' visits. She was a special person and we were fortunate to call her our friend.
