“ Dear Owen & Family, I was shocked to read Jackie's obituary in today's paper. I lost track of nearly everyone after Gordon had his first stroke. Took all my time to take care of him. My deepest sympathy to all of you. I know how much she will be missed. I had a lot of good times with her on the links, & on the way to links & back. Love to all, Roz##imported-begin##Roz Szymanski##imported-end##

“ Owen, this is the 3d attempt. You know how fond Jackie and I were of each other and how long we fought an up-hill battle to keep the MB Ladies Golf Invitational going. We both developed problems and had to give up golf unfortunately so we didn't see much of each other. E-mail kept us in touch until the last year. Know what you have been through and want to convey my deepest sympathy you you, Chris and Tiffany. Love, Edna##imported-begin##Edna Muser##imported-end##
