“ Dear Friends,
The Baxley family thanks you from the bottom of our hearts for your overwhelming support tonight at the visitation. The numbers truly were fantastic. Our mother was so glad to see all of you tonight as was I and my brother and sisters. Daddy knew all of you and was looking down from heaven. He would have given all of you a hot ball and asked you about your families. Thanks again for your support. We will miss daddy so much but know we will see him again.

“ What a wonderful Christian example he was for us all. I can't remember a time seeing him, that he didn't ask me if I was in Sunday School. He cared for others and their walk with the Lord. Loved to laugh. When I was in 9th grade going to the State Fair..he took me aside and gave me money to take with me. He had four children of his own but thought of me..He said "Your Dad use to give me money so take this and have fun". He probably never knew how that money affected me long after it was spent.....When I think of Uncle James..I smile..and hear his laughter...Thank you God for the priviledge of being his neice....Margie Baxley Saburn

“ *To Doris and the family, Thank you for sharing James with us at Victory Baptist Church. James was a blessing from above, a true inspiration to me. He always had a greeting and a smile for everyone. His faithfulness was truly amazing. He was my Sunday School Director and he really cared about Sunday School, when he could not do it any more physically I had the priviledge to take his candle and go with it. I hope I will honor God as much as he did in his directorship. I will truly miss him, but I am so glad that he is home now with the Lord, there will be no more wheelchairs or suffering for James now and I am waiting for the day when I will meet him again on the other side. Love you James!*
