“ We want to say how much we appreciated Uncle Jimmy, and how he always wanted to do all he could to make everyone welcome in his home. I have very good memories of times the family camped on our farm when Uncle Jimmy was home on leave and he was such a giving person who could'nt do enough for you. He was always the uncle that you knew was going to see you had a good time, and he continued this with our sons by having them vacation with him at their home in Myrtle Beach. Uncle Jimmy and Aunt Oliva were both "special people" in my life and they will be sorely missed. But we have the hope that we will see them again when we enter heaven where we will have a "great family reunion"!!! To Dale, Lewis and Melissa we want to let you know that you are in our prayes and thoughts as you go through this time. Although we were unable to attend the service, you were in our hearts and thoughts. We would love to see you and hope that this can be possible before more years go by. Please keep in touch and may God continue to give you comfort and peace as only He can. Love, Joseph, Karen and Chad. Also Spencer and Sawyer, grandsons.##imported-begin##Joseph & Karen Thurston##imported-end##

“ As a younger girl I was always glad to see Uncle Jimmie & family come to visit. I still think about the days that Uncle Jimmie would have us come see him in Washington DC and couldn't wait for him to get home from work so he could take us out and show us the world. We would do this every chance we could and to you Melissa we had some good times. I am glad we still have memories of this.##imported-begin##Judith Lowery##imported-end##

“ I would first like to extend me deepest sympathy to your family. The death of a loved one is difficult. God however knows how you feel and truly cares. He has provided a sure hope for your family in the bible at John 5: 28, 29. The resurrection will reunite relatives with their loved ones. He tells us at Isaiah 25:8,9 that 'He will actually swallow up death forever...'These scriptures and many others have provided me with hope and encouragement in regards to my beloved ones. I am sure they will do the same for you.##imported-begin##T. Allston##imported-end##
