“ Dear Jewel and Family, Though I knew Jim had had some very difficult physical battles since Nov., I was surprised to read of his death today--after the time of the services. Jim was a terrific role model always smiling and joking--even while enduring great pain, an inspiration to us who had the privilege of knowing him! And, Jewel, you have uniquely modeled Christian love and commitment in your care not only for Jim but also for your family and friends! You have enlightened our understanding of Christ's command to love one another! Please know that I deeply appreciate the many ways you have extended friendship to me through the years! I shall be praying for you as you transition into a new mode of life! May you find peace and comfort in your faith in this new but difficult year. Please call on me if I can be of help! “ *Jewel and Family: Wonderful memories of Jim during our years at Madison Church. He made us feel welcome, just flashing his big smile and giving undivided attention as we spoke. He had such a caring and warm spirit. He has been able to be a good warrior in the battle for his life due to his determined will and the faithful caregiving of you, Jewel. You both have run this race with God's empowerment. Jim receives his laurel wreath and the commendation, "well done, faithful one". You can now rest a bit.
