“ To all the family: I was so sorry to learn that J.D. died. I still remember how thrilled Bud and I were to see him when he came home on leave while serving as an Honorable American Soldier. He loved his family and friends and it was always a pleasure to see him. In recent years when we met we talked about the good old days, our families and friends, and the good times we had. As an old soldier or sailor would say: He was my buddy. He was my friend. My thoughts and prayers are with you.##imported-begin##Walton Chestnut##imported-end##
