“ Dear Ms. Wood, I was very sorry to hear about the passing of Jim. Although I did not know him very well, I do remember hearing his very distinctive voice when he called in to morning radio show on WRNN. He always had something worth hearing. Then I met him in one of the golf outings with the "guys" from Wild Wing and was able to put a face with that "Alabama Accent". I remember the last time I saw him. You two were playing golf @ Wild Wing one afternoon, a little over a year ago, and I was playing with my friend Jan, an EWG Member. She asked me to express her condolences, too. He was one of the "good guys" and will be missed.##imported-begin##Everette##imported-end##
