“ Words cannot express how I feel about losing my little buddy. Hazel and I wanted to be with you so bad but as you know Cindy wouldn't be able to make the trip and Hazel's mother has been very sick. Let us know when you get home. We just want to put our arms around you and hug you. Bobby passed the day after I buried my 19 yr. old son 26 years ago. I still miss him but we both know where they are and they are not suffering anymore. We love you guys so much. Not to be the bearer of bad news but it doesn't get any easier. You just learn to lean on God and deal with it. Whether we want it to or not, life goes on. Love Judy Cindy's nurse##imported-begin##Judy Wilson##imported-end##

“ Bobby was a special person. I will miss his laughing eyes and smile. It was my honor to have him in my class and a part of his life. I will always remember his loving expression on his face when I always talked about Susan clicking her heels walking the gates of Gateway and how his face brighten up when we spoke about his grandmother. He is at peace and clear of pain now in God's heaven. You are terrific parents. My condolences to you and your family. Love, Gloria##imported-begin##Gloria Lawrence##imported-end##

“ Dear Family, I was so sorry to hear of Bobby's passing. He was a great young man and I fondly remember working with him. He had a terrific sense of humor and could be a little sneaky. I also remember working with you. You certainly gave every opportunity to Bobby and I know he loved those hats and the waitresses. Our memories are our treasures.
