“ *I would like to take a moment to express my sincere condolences on the loss of your father. I called him last March and spoke with him for an extended period of time. He was your father but he was a father to so many children. A little league coach, a scoutmaster, but above all else he was an individual who touched and molded the lives of children. His voice was always one of encouragement. He treated every child he coached with fairness and with respect. He taught children how to win with humility and to lose with grace. I know I can speak for all his little league players, he always put the child first. Words alone are inadequate in attempting to express what he did for children in Hartsville. You knew him as your father, but we knew him as our coach. Simply stated, he was the best.##imported-begin##steve huggins##imported-end##*

“ Dear Theresa and family, All Our Heavenly Father's blessings in dealing with your great loss. James was a great friend and role model for me. His love and support and guidance has blessed my life and that of my family eternally . I don't know how my life would have turned out without his influence. Everytime I see or hear the word "scoutmaster," James and such fond memories comes to my mind. No one else can ever measure up. What a great example of service. I loved him greatly and I know he is hearing the words, "My good and faithful servant, enter in." I thank each of you for allowing me to share a portion of James' life with you.
