“ *To the family in their time of sorrow, the upright and blameless man Job expressed faith in the resurrection saying, in his intense suffering: “O that in Sheol (Hebrew, the grave) you would conceal me, . . . that you would set a time limit for me and remember me! If an able-bodied man dies can he live again? . . . You will call, and I myself shall answer you. For the work of your hands you will have a yearning.”—Job 14:13-15. Yes, please take comfort that our Creator longs to bring those in his memory back from the grave.*

“ I am sad to hear of the passing of my dear Uncle Jimmy. All of our sweet, funny loving Uncles are together again with our awesome Grandparents. They are all great men that gave us wonderful cousins, countless hours of laughter and a lifetime of memories. It is safe to say we knew we could count on any one of them to fix any of our troubles. They were 6 Brothers who together were part of a generation that did whatever it took to provide for their family and support each other thru difficult times and I am honored to be that Daughter and Niece of a "blue collar" clan of Farraday's. We are so blessed to have had the honor to call them Uncle and to have been loved by them. What would we have done without our bigger than life Uncles and the fun Sundays at Grandmom and Grandpop's house fetching beers from the breezeway and jockeying cars in the driveway!! Love you Uncle Jimmy and thank you Aunt Nancy for sharing him with us. I know you and Stevie and Naomi's hearts are heavy today with sadness. Love to all Joanie

“ Uncle Jimmy was the last of six great brothers. I have so many memories of all of them and remember Uncle Jimmy's deep brown eyes. I always thought he looked like Elvis Presley and told him so. He was a wonderful husband and father and family man, part of the greatest generation. He loved Aunt Nancy so deeply and I never saw them apart. Steve and Naomi were blessed to have such a great Dad. I know you will all miss him terribly. I have only happy memories of him and very sad to think he is gone. Love to all the family. I wish we could be there, but circumstances with Mom do not permit it. Sincerest sympathies.
