“ I am so sorry for your loss. May the outpouring of sympathy, the kind acts of friends and strangers, as well as your memories give you comfort to help you endure the days ahead. The Bible also offers comfort. “For God is near to those broken at heart. “ Ps 34:17,18. Our Creator promises that there will soon be a time when “death will be no more.” Revelation 21:4

“ To Linda,  
Although neither of us met Scott, through your eyes, we felt that we knew him. When we talked in February at Myrtle Beach, I think we were both optimistic that we would have the pleasure of meeting him, but someone greater than us decided that the time for that meeting would have to wait.

May you know that you are in our hearts and prayers and, even though long distance, we will be sure to celebrate his life with you on Friday.

Our heartfelt sympathy.

“ *Wow...just shocked and saddened by the news that Scott had passed. As a young golf professional right out of college and being far from family in Massachusetts, Scott and his family treated me like a part of their family, something that I will always remember. *Scott gave me my first golf lesson in 1971 at Hendersonville Country Club. It worked out very well as i was able to get a golf scholarship to college at Edison Junior College, Ft. Myers Fla. then NCSU. He taught me many other things that were more important than golf during his years at the HCC. I still have a putter that he gave me the week i went off to college in 1975. To the family ...May God be with you during this difficult time. God Bless the Family*
