“ The world has lost a wonderful man...but now a wonderful couple are together again. I know what Jim and Cass did for my daughter in law Dawn when she was a child, and it takes a special kind of caring, loving, people to step up and go a good deed when someone must.....and then follow thru on the deed for a lifetime. That's what they did and I've always admired them for that and the people they were. I only wish my family could have enjoyed their company more, as we did occasionally when they lived in Bristol, PA. Our thoughts are with Cathy and the entire family. All our love, Joanne and Ed Mackin
