“ My deepest sympathy and prayers to those who loved Uncle Jimmy. When I was a little girl, my mother, brother, grandparents and I spent time with him and Aunt Sarah at their home in Florida. I remeber Uncle Jimmy telling me he was going to keep me with them when everyone else went home. They had a storage room that he said he would keep me in until they left. That was always a fond memory for me. My family was going through a rough time then, and he made me feel so special. When I was organizing my parent's 50th Anniversary party in 2005, I sent him an e-mail to see if he could join us. Unfortunately, he wasn't able to make it, but he joked that he would "kidnap" me if he could. Once again, he made me feel special. I wish to extend my sympathies to my cousins and their families during this difficult time. His loss is shared by us all.##imported-begin##Kathleen Zwaan##imported-end##

“ Jim will be missed by all of our family, especially our son Duane . Jim was a great friend to Duane and they spent many hours together. They would laugh and joke and just tease each other and they would keep us laughing. Thanks Jim for being such a special friend to Duane. He will be lost without you. Jim was a wonderful person and it was a pleasure knowing him. Our Sympathy to all of Jim's family and friends##imported-begin##Hannah & Howard Rockey##imported-end##

“ Dear Ed, Please accept my sincere condolences on the passing of your father; I am so sorry about your loss. Although I never met your dad, I know how much he meant to you. Through your stories of how smart he was and how tough he could be,,,I almost feel like I knew him. Heck, we could almost be â??brothersâ? because my dad is the same way! Iâ??m sure that your father was a fine man and that his absence will be felt by many. I encourage you to draw on the strength of your family during this time. May God bless you and your family, youâ??ll be in our prayers. Sincerely, Clinton & Sheila Riase###imported-begin##Clinton Riase###imported-end##
