“ I had some special times and experiences with Jim, as I called him. He lived for a period of time in Raleigh, N.C. and attended my Church, Hudson Memorial Presbyterian Church. I am saddened and now confirmed by this news. I do wish to speak to a family member. He was a brilliant individual! Chemistry/Science/Health seemed to be his forte. “ It was with deep regret that I learned of Jay's death earlier this month from Chris Stansbury. I met Jay in March, 2005 at St. Mary's in Greenville, SC. He was a an engaging character with whom it was easy to converse. He was concerned about other members of his family and was hoping to see some of them. I was glad when I heard that he found work in Greensboro, He was a nice guy and I'm sure you all will miss him. I will keep him in my prayers.
