“ We always think what if i could have did this or said that would it have made a difference but the thing is we cant beat ourself up about that part. We have to cherish the wonderful moments that we all shared. Jamie has a big heart and he got it from his mama. Ms Robin you are a wonderful mother and friend. I am so thankful to be a part of your life. I pray that you have peace and comfort during this time and hold on tight to Gods everlasting love that only he can give. No matter what happens he is always there by ourside. I am so proud of the mother that you are. You remind me so much of my mama. I love you so much and I am so proud of LeeAnn she is an amazing young lady. You taught them very well. So hold your head up high and share your love and memories together. I pray that this will bond yall closer together. I am always here for you like you have always been there for me. I appreciate you more than you ever know.##imported-begin##Angela Atwood##imported-end##
