“ A message from Bobby Johnson:

*I would like to take this opportunity to express my heart felt and deepest admiration to the Johnson Family, on this day Sunday January 22, 2012.*

*We as a family enjoyed the privilege to send our son, brother, uncle, brother in law, Jimmy home to our Heavenly Father at sea. The sea was a place that Jimmy dearly loved. Jimmy was a man with many skills and talents including a certified driver and a charter boat captain.*

*I guess the Angels of God helped escort us to his final destination. We felt the hand of God at work as our Heavenly Father guided us through the stormy seas to Jimmy destination.*

*As we travel our cross roads through life I felt that I had come to understand the meaning of death, I was wrong.*

**GOD'S WILL, BE DONE**

*In our lives, we have sent Cheryl, a daughter and sister home.*

*In our lives, we have send Ferdinand a husband, father and grandfather home.*

*This past week again God was in need of another Angel and we sent Jimmy's ashes to sea and his soul was received in Heaven.*

*As we prayed as a family a revelation from God was revealed to me that through our pain and tears were here to celebrate the crossing of another Johnson angel to God's Kingdom.*

*I can not say strongly enough to my sisters Laura, Tara, Carrie; to my brother Steve, to our spouses and partners, to my niece , nephews and sons and most of all to my mother Beverly that it is a privilege to walk among you.*

*As far as our extended family members and to Jimmy's many friends that we may have closed down to or felt shut out we did not intend to build a wall, but I guess we did. I am requesting that you try and find compassion in your hearts and I ask for your forgiveness. Our actions were to help a grieving mother through this difficult time in her life again.*

*Thank you for your thoughts and prayers  
Bobby Johnson*

“ Bobby and Beckie: I am so sorry to hear about Jimmy. Although I haven't seen him since our teenage years, I will always remember Jimmy from our childhood days when a group of us kids who grew up in Surfside would romp around town together. Sympathies and prayers for the family. Our family empathizes, as we lost Tim last year. Too many gone too soon.

“ Thanks to all for your thoughts and prayers. This past weekend has been overwhelming, to say the least. Jimmy's family will be attending a memorial mass @ 11am Sunday 1-22-12 at St. Micheals in Garedn City. After mass we are planning to leave from the Marshwalk behind Drunken Jacks to return his ashes to the sea he so loved. There will be an autograph book at first the church, then moved to the boardwalk. Please feel free to come to either place to sign in and walk the boardwalk in remembrance.

Thanks again,  
The Johnson's

“ Jimmy was a good friend. I'll miss our times on the water fishing and shrimping, our political debates at which jimmy was very good. He was a life long friend and those type friend's are hard to find. Jim if you can read this ,go hang out with Donnie and I'll see ya'll when it's my time. You were a loyal friend and I'm sure if i've misspelled any of this you will point it out. I'll think of you often, see you later.

“ I am so thankful that Jim touch my life. I remember when Alan was born he was so proud and announced he was going to be his God Father. When Scott was born he was ready to babysit at any time. He was a great uncle to by sons. He also loved the Dallas Cowboys(he switched to Panthers later). Years ago I made a bet with Jim on a football game and of course lost. He had be go down 17th Ave skipping the Cowboys were number 1. Jim had a big heart and loved his family. A big part of the Johnson's is now missing. WE love you Jimmy. Your sister in law Beckie

“ *I remember when we first moved into the neighborhood, 1969, Jimmy was, I guess, 8 years old. Since my late husband Bill and I were young and without children at that time we sometimes ended up with several of the neighborhood boys at our house. I have fond memories of those times. Beverly and family, I will be thinking of you in your time of loss. With Sympathy, Frankie Hein O'Donnell*

*Writing a public farewell to Jimmy is not something I ever imagined. My ridiculousness over Jimmy cost me so many trips to the girls room and having them tell me that, I was foolish. I was not foolish, he was worth every tear I ever shed. he was the kind of guy I would hope for any young lady to have the first crush on. It has been nearly 30 years since I spoke with him.....but what I remember is the Honda motorcycle that stayed in the yard by the tree, Marlboro cigarettes and Budweiser"s at the Holiday Inn and that I very nearly killed my best friend because he decided to hang out with her and not me. He was a very special and important person in my life and I will never forget him.....and this is me saying goodbye to you Jimmy.*
