“ April 23, 2010 a quote from Jim while we had lunch together: "I have got to be the luckiest man on Earth!" Jim was a man who has always embraced life, was truly happy, and was living life to it's fullest. Many of us who had the pleasure of Jim in our lives may not remember exactly what we did with Jim, or what was said at the time, but what will always be remembered is how Jim made you feel and smile. Hold that close to your heart forever!###imported-begin##Pam###imported-end##
