Tribute Wall

“ Dear Friends, Words can't express the sorrow at the loss of one so loved. They also can't express the grace of our Lord as he carries us through these sad times. May His unbounded love and understanding comfort you and keep you during this difficult time and the days that will follow. Jim and Anne were so gracious to host our group of college students when we "retreated" to their house ~1983. They were good to serve as a sendoff for our trips with Doug & Gretchen to the beach. We celebrated Doug's "big smart day" with them. Jim was witty and had a great sense of humor. We feel privileged to have known him. Our prayers and thoughts are with you. “ Jim was my freshman advisor and I won't forget him inviting us into his home to assist us in our transition to Muskingum. Over the years I've known him as an advisor, instructor, colleague and friend. He was a definite influence on my life.###imported-begin##Ryan Harvey###imported-end##
