“ Geri, Keli, Scott and the entire Family: My thoughts and prayers are with you. I always enjoyed watching two people so much in love!! It would just always cheer me up in Grayling during Annual Training when he and I worked in the G-1 shop together. The only thing close to that was your wonderful baked goods you would send in with him Geri.

“ Keli (and Scott),
Keep the memories of your dad close to your heart knowing that we all will be together again someday. Also know that he is in a much better place than we can even imagine. The small things are not as critical when you look at the true meaning. God bless your family.

I always draw from a funny experiences of loved ones past when my heart is heavy, like the bird and motorcycle story.

Your family is in my thoughts and prayers,

Peace be with you!
