“ My deepest sympathy, thoughts and prayers go out to the Marohl family. My heart aches for his four children and wife he left behind. I have not seen Jim since I moved away from MB in 2007 and I am saddened to hear of his passing. He was a WONDERFUL friend to me and my fiance Joey (now ex-fiance) and was extremely kind and thoughtful to our daughter. I will never forget the day I got into a horrible accident across the street from where I worked. He witnessed the accident and I was knocked unconscious. When I woke up he was carrying me in his arms, blood pouring down my head, across the street to my place of employment where my fiance worked also. His kindness and generosity that day made him a hero in my book. I can honestly say he was an amazing friend and I will miss him dearly. I'm truly sorry to the Marohl family, friends and loved ones for the loss of James. I am thankful to have had him as a friend and will cherish his memory always.
