“ Nick, As your golf buddies in Alpena refer to you as. I was very saddened to hear of your moving on to the Big Golf Course in the Sky when I received a call from Donnelly Sunday. You left us with many great memories buddy. I will never forget the Shepherds Pie with your Mom on Cambell Street. Man did we have the fun golfing hey? The trip to the Buick Open is an everlasting memory. Some of the greatest times of my life. May you have a beautiful course to practice your "Triscuit Grip" on and have Shepherds Pie at every hole. Love Ya Buddy, Thanks for the Memories. E##imported-begin##Eric Watkins##imported-end##
