“ I have so many fond memories of times when all of us got together for visits at your Grandma Mary's and at your home in South Carolina along with your visits to our home in Cleveland. Our parents always made sure we got together for visits no matter how far apart we lived. What a wonderful gift they gave us. The service took your family to many places, and your extended family always missed you and awaited your return. All of us love you and will keep you in our thoughts and prayers. Sending hugs and love to each and every one of you. Your mom and dad raised two wonderful guys. Dad also wants you to know he is thinking about you. Love, Debbie Veres-Hollingsworth & Paul Veres
