“ My deepest heartfelt sentiments for you Jackie and all the McKnight children and extended family and friends. I lived across from Mark & Theresa for many years. As a young girl, I remember going up to your home in Kingston to spend a weekend or two there and the both of you were so kind. My fond memories as an adult were of Mr. McKnights visits to the Ground Round in Newburgh which was one of his many accounts as well as other restaurants where I bartended over the years. At all the restaurants I worked at, he was so well received and loved.... May God Bless you all and cherish the memories!
