“ With all our sympathy to Chris, who has so kindly welcomed and loved our daughter Claire along with Jim for many years as if she had been their own.

We could not have hoped for better host parents. The fact that we did not speak the same language did not make our communication easy but we have shared lovely moments together in the States and in France.

Thank you very much Jim for all the care you provided Claire, and all the people around you, with all your life.

All our thoughts are with Chris and the rest of Jim's family.

“ Jim has changed my life and me forever. I realize how fortunate I'm to have been given so many beautiful moments with him. He has provided me with so much love and has brought me lots of strength. To me he is my dream American Dad so patient, understanding and supportive. There are millions of stories I could share but I reckon telling you that a day doesn't go by without me thinking of Jim is probably sufficient to illustrate the impact he had on me.

We have just lost an exceptional person and our grief is at the size of the emptiness he is leaving behind.

With all my love to Chris, to Jim's children and grandchild.

“ *Chris and family,*
I was saddened to learn of Jim's passing. I enjoyed working with him when he was at CCU's Mail Facility. Always a smile and a warm hello whenever I went over there. We would share war stories and have a good laugh, mostly at CCU's expense! Take care of yourself and I know your family and friends will be a great comfort to you during this time of need.

Take care,
