

## Mr. James Lee Miller

July 16, 1936 - March 31, 2026

It is with great sadness that we announce the passing of James (Jim) Lee Miller, a beloved husband, father, brother, grandfather, great-grandfather and friend, who left us peacefully on March 31st, 2026, at the age of 89.

He is survived by his wife Carol, his sons Jeff and Scott, his step-children Virginia, Duane, Jonathan and Sonya, his brother Ken, his nine grandchildren and many great-grandchildren.

He served his country as a U.S. Navy Submariner and earned his dolphins, a hard-earned badge that distinguishes and identifies members of the submarine community and is a source of pride for the “silent service.” After his service, he was an aerospace engineer with Lockheed Martin.

His favorite pastimes included skiing, mountaineering, rock climbing, running, gardening, birdwatching and most of all doting over the dogs in his life. Most recently, his “princess” and service dog Paige. He was a mentor and teacher often sharing his wisdom by teaching others outdoor survival and leading Bible studies.

In lieu of flowers, the family asks that donations be made in his name to all4paws animal rescue <https://all4pawssc.org>

Rest in peace, dear Jim. You will be forever in our hearts.
