“ My heart is still and my voice is soft over the loss of my dad....Although he only adopted me on the streets of Edison, he defined most of what I am through his coaching, leadership, and example as a working blue collar man. To the rest of my family I'm sorry I can not be with you, as I just relocated to Florida this past Monday. To all of you, I want to say I love you and hope that your mourning is peaceful with the positives that this man did in his life of shaping boys to men.

Love

“ Well, with Ellie's help I figured out how to send a message here. My other one was not what I had thought I did. But anyhow, very sorry about Jimmy, he lived a long and happy life and most of what contributed to that was his love and care from his family. He loved all of you more than words can say, and he was very proud of all of you. Your memories now will carry you through the days ahead and I'm sure you have lots of them. Health reasons keep us from being with you on Saturday but you will all be in our thoughts.

“ Dear Loretta and all your family,  
I'm so sorry about Jimmy's death. I wish there were words to make the pain and sadness go away. As the oldest brother I have memories of him comforting me on the death of our Dad. Also I will never forget many years ago when I decided to enter the convent he took me aside and told me that if things didn't work out that I always had a home to come to. It gave me a reassuring feeling that I carried with me for a long time. I'm so glad I was part of his 80th birthday celebration and I still remember how happy he was at Megan's wedding when you got the award for the longest married couple. That was something to be proud of for sure. If there was another award given it would be for the best dancing couple. You made a great team.  
The distance will keep me away on Saturday but I will have a Mass said for Jimmy here at my church and my thoughts and prayers will be with all of you.  
Love,  
Janie
