Tribute Wall

“Moose; my sympathies to you and your family on the loss of your father. I remember the early days of Heck's when I was just a young one and your father and mine worked close together for their entire Heck's career. There are many memories of the summer picnics in Madison at the Haddad pool. In my adult years it was even more special to connect with you as a continuation of our families friendship. May your father's memory be eternal.##imported-begin##Sarah Stephenson & John Skaff##imported-end##

“Dear Ruth -- I have wonderful and great memories of all the years I worked at Heck's along side of Jim and all of the Grand Openings we worked together. Even before I read about his passing in the Charleston Newspapers today I thought about you and Jim a lot, and any time I hear from a former Heck's employee or salesman, Jim's name is always mentioned as truly classy and professional guy. My thoughts and prayers are with you and Moose during this time of sorrow.##imported-begin##BILL ELLIS##imported-end##
