“ *Mr James*

*I am sorry I did not get to say my fair wells in person. I really tried. I even cane down to see you but Jay, Tina or Julie refused. I hope you know how much the children and I loved and cared about you. I hope that you have been reunited with your wife and other family members and you are singing praises and having a wonderful time with our father. I will miss you and all the advice you would always give me. You were a great mentor and friend.*
