“ Anne,
I'm very sorry to hear about Jim's passing away. I enjoyed it immensely the times that we were at your house. You have my deepest sympathy.
I've been trying forever to get your address or phone number. Finally, Lana and Jenny, my classmates, said Jim had passed away, so that may help to get in touch. I have some wonderful pictures of your parents that I would love to send you!
Love,
Ellen Floyd Faris

I look forward to reconnecting and will give you my phone number if this isn't for all to see.
