“ Goodbye, my brother, I'm sad to see you go
I was hoping you could come home again if just to see the snow.
But now your heart is beating right and fill those lungs with air,
And I know that Dad and Mom are glad to see you there.
So rest in peace my brother, no more worries, no more tears,
So spread your wings, fly with the Angels, and know I loved you all
these years.
Love you
Your Sis
Margie

*No more phone calls to say "how are you" or "how was your day"
Oh dear brother, this is all I can say.
No longer do you have to travel from hospital bed to the chair,
Now your heart is beating strong and your lungs are full of fresh air.
So enjoy this new life you've been given,
Praise God for His peace and grace,
Say hello to Dad and Mom for me, until we shall meet face to face
I love you my brother, Your Sister, h
Margie*
