“ We have been neighbors over 25 years. We have been so blessed to have had Jim and Helene as wonderful friends. Jim was truly an awesome person. Persevered thru so much but always had that great smile and laugh which we will never forget. Oh how Jim loved keeping his yard looking beautiful when he was able. Enjoyed all his woodwork and the beautiful stained glass. This earth will definitely feel more empty without Jim. You will truly be missed, Jim. We send lots of prayers and love to Helene and family. We know the wonderful memories of Jim will help you get thru this. Love you Helene and our deepest sympathy. We are here for you.

“ I guess I’m starting off by saying what a great guy Jimmy was, Jimmy and I have spent many of hours together, we use to hunt every day during hunting season, we’ve Deer hunted, hog hunted, squirrel hunted, together for many years. All I can say is I learn a lot from him he always was my mentor on many subjects. God I’m going to miss him, even though we haven’t hunted in a few years and we always stayed in touch, and me and my wife would always meet Jimmy and Helene once a year for our gathering, even during that nasty Covid we still met each other for some catching up and camaraderie time. I know he will be missed by a lot people friends, and family, I promise he will never be forgotten. Jimmy I know ur staring down from heaven but we will meet again...

Love you Big Brother

“ Jim and I have a lot in common. We have both had some serious roadblocks in our lives. I know I pulled the energy to make the best of times out of some of the worst of times. I pulled that energy by watching him lead a great life. A great life that came from the strongest will of anyone I have known

“ When My husband and myself started going to Jim and Helene's house I can't even explain how sweet he was. When he started making his wood crafts he wouldn't let me pay full price. When he got sick and had to go to Charleston for Liver transplant we were honored to have been there. When we brought our little dog over he laughed and said she couldn't be bad as she wiggled from head to tail. I have so many great memories and I treasure each one. Will always remember his smile.

This picture is taken at Jim's Happy Place which is where we met him and Helene. Everyone enjoyed each other during our cookouts. You can see that Jim loved the food. Jim was always ready with an ear to ear grin and big laugh. He enjoyed the lake and we enjoyed his company. So glad we have great memories of him. Love, Barry and Kathey Elliott
