“ Ralph was a wonderful man and a great father. You can't pick your parents, but you do have some say in the in-laws you have. You two have always treated me and my girls like your own. We appreciate it, and love you. I couldn't of picked better in-laws. Know that Ralph is in a better place with no pain, and is soaring with the Angels.###imported-begin##Angie Adams###imported-end##

“ To The Family And Friends Ralph and I knew each other as amateur operators , and he always made a point to keep me on the straight and narrow . I enjoyed his humor and so did everyone that operated on 3.938 . Ralph will be missed by all that knew him . I'm sure that the first thing Ralph will ask in heaven , is , where the ham shack is located . Our prayers are with the family and know that you will find peace in knowing that Ralph is with his Heavenly Father . You'll find peace and closure in the wonderful fond memories of Ralph , and his love for you , his family and friends . Farwell Ralph , we will all miss you .##imported-begin##Philip L.
