“ I send my condolences to the family. Having worked in the legal profession I got to know Jim through his profession. He made and delivered many surveys/maps to our office. Jim was a quiet, gentle and friendly person but very precised and dedicated in his work. May God's Peace and sweet Spirit be with you at this time and the days ahead.

“ *My sincere condolences to Jim’s family. I remember a young Jim when he worked as an estimator for Dargan Construction Company in the 1960’s. I, too, worked for the company and Jim was always professional and nice to be around. May he Rest In Peace. He was a very fine man.*
