“ You were a very special person that I was proud to know. They say people come into our lives for a reason, a season or a lifetime. They may bring you an experience of peace or make you laugh. Just hearing your laugh would put a smile on my face, no matter what I was going through that day. Thank you for being a part of my life. I will always remember you in my heart. Until we meet again, my friend.....**##imported-begin##Trish##imported-end##**

“ We have known Jimbo for over 15 years. We will miss his e-mail jokes that he sent almost every day. He was always ready to help when we had problem with anything in our home. I always enjoyed having a brew with Jimmy at the Indigo Creek Club House, the Moose or his garage and trying to solve the "world's problems". Jimmy, you were one of our closest friends. You were always there to talk on the phone or by e-mail. Your wisdom and advice will be missed. May God keep you in his care. Bob,our thoughts and prayers are with you and the rest of the family.##imported-begin##Anne and John Iredell##imported-end##
