“ Mr and Mrs Steffee, Daniel and Janice. We all are saddened by Jims passing. We shared many hours together growing up, through high school and college at SMC and after. Jim will be missed but take comfort in knowing that his body is healed today and he is in the presence of his Lord Jesus who Jim came to know. My prayers are with you all and I miss you all greatly. “ To my dearest family the Steffee's ,
My deepest sympathy to all . I just saw that Jimmy has passed. My heart is broken 😞 We had become very close , he shared lots happy thoughts , concerning thoughts and family memories with me. We never failed to say I love you to each other. I'm so glad I got to know him even though we'd been apart for many years . I wanted to always see him when I came down . I'm sad it never came to happen .
We had late night talks or text messages . He truly was my friend as well as my cousin. I know how he loved his family . I will truly miss him.
My love and prayers go to all, Brenda Burns Curren

Mr. and Mrs. Steffens, Dan, and Janice,

*I am terribly sorry about your loss and was thinking of the adventures
and misadventures Jim and I had growing up. We had good times
camping, walking around the golf course, and listening to music in your
home. When I led a team of teachers including the band director, I like
to think Jim, gave me the appreciation for band what band could do for
young people. This helped me be a strong advocate for performing arts
in schools. My thoughts and prayers are with you at this time of need.*
