“ Debbie and all of the family: I was out of town when I heard about Jimmy, and I am so very sorry to hear of his passing. I only recently learned of him being so sick and wish I had known and maybe I could have visited him. He was always very kind and special to me, as all of you are. I lost my brother a couple of weeks ago so I know somewhat of what the brothers and Helen are going through. My prayers are with the entire family, and may God comfort each of you in this sad time of your lives. You are still my family and I love each one of you. Please give my love and my condolences to all. In Christ's love, wanda##imported-begin##Wanda Hyman-lewis##imported-end##
