“ Anita and Family---So sorry to hear of Jimmie's passing. His smile, great sense of humor and wealth of knowledge will be missed. He was so willing to help me with my 52 MGTD when I first moved to Pawleys---he was something else when it came to our "special" oldies--- had her running in just a few minutes--- I will always remember him for his generosity and kindness. My best to you and your family.##imported-begin##Rachel Oliver##imported-end##

“ There is not enough room to write the great memories that I have of Jimmy in our younger days growing up. We spent many Sundays together at our grandmother's house where the entire family gathered to eat. He was so much fun and had a great sense of humor. As we grew older, we did not get to see each other that much but when I did see him he always had a smile on his face and a big hug for me. He is now with the angels and in a better place. He will be missed greatly but we will see him again one day Prayers to the family, we all loved Jimmy.##imported-begin##Claude M and Patricia Wilson Graham##imported-end##

“ Just got back into town and read about Jimmie in the Observer. Love and prayers to Anita and all. Jimmie told great stories, and I have been entertained many times by tales of the area, his family, and of his past. Thanks to Jimmie, as an "outsider" or "non-local" I have a better understanding of Pawleys. He will be greatly missed around the tables of Pawleys Island, but he will always live in our hearts.##imported-begin##Debbie Gouldin##imported-end##
