“ I am very sorry. This was a great loss for your family, and the world has lost a good human being. Jim was more than just my insurance man. He treated my wife and I with a graciousness that you rarely run across these days. A true gentleman, Jim was ever so patient, explaining, making sure we knew all the details. My wife Kathleen and I are stunned that he is gone from this earth. But as others have stated, he's in a better place now, watching over us, soothing us with his sweet, gentle voice.##imported-begin##Robert Teeple##imported-end##

“ Dear DeLis: I have just heard about Jim's passing. It is hard to believe and I am sure it is difficult for you at this time. It has only been two and one-half years since Harvey died. So many memories come to mind --we had some good times together and you can believe that Harvey and Jim are having a great time together right now in heaven--talking about that \$IM raise that Swinney got. You and your family are in our prayers. Call me sometime when you need someone to talk to 864-852-2274 -I've been there. Love, Dot##imported-begin##Dot Bandy##imported-end##

Nellie, I was reminising over the internet about Jim's death and i came across your name. Guess I was in a daze when I first saw it. I remember your Mom very well. We had may good times together in McCormick working together. She was a joy to be around. I am sorry you lost her so young. It just doesn't seem fair but as you said, God only takes the best ones and your Mom and Jim surely fit in that category. Hope you get this. I remember all of your brothers and sisters. Man, you had a big family. Hope life has been good to you and ou are doing well.

If I am not being forward, what happened to your Mom? And where are are all of your brothers n sisters? McCormick hasn't grown much. Don't get to home, Gwood, very often. Have no kin there now. Much love to each of you and thanks for your kind words. God Bless you and watch over all of you. love, De Lis

“ *De Lis, Rick and Leslie, Holly and I grieve your loss. It was Jim who told me about Wofford College back in 1992. He even invited me to a Conway Rotary Club meeting once to talk to members who graduated Wofford. Some of those folks wrote letters to the admissions office on my behalf. Jim played an important role in getting me in to one of the best schools in the state. I am forever grateful to him for taking such interest in me. During this extremely difficult time, I pray that each of you find peace.##imported-begin##Rick and Holly Richardson##imported-end##*
