“ Glen, Teal, Mrs. Susan and Family, We will all miss Mr. Winston in so many ways. I am thankful that he became a part of my life through the friendship of our parents and he will always hold a special place in my heart. He could always be counted on for a "Hey Shug....how ya' doing?" He had a smile for you when you saw him and you could never be around him more than a few minutes before he had you laughing. He enjoyed life, adored his family, and I thank you for sharing him with us through the years.##imported-begin##Deborah Rabon Johnson##imported-end##

“ Dear Susan, Glen and Teal, Many many good memories from my childhood to adulthood.....fun times at the old beach house and the current one. Parking our camper next to your house and having a wonderful vacation with you all. I'll never forget when I drove down to the beach by myself, parked at Winston's beach house in my new car he'd never seen and skipped right across to the beach to lay out for the day.....only to come back to his house to find HIS CAR parked behind mine. He thought a "tourist" had parked in front of his house and he was blazing mad! We laughed until the sun went down when he found out it was ME! I know Winston and Dad are having a time in Heaven together now. Many prayers to all of you.....##imported-begin##Sharon Bradham Deveney##imported-end##

We enjoyed trips to the beach with them and good Sunday dinners especially Ernetine's pot roast and her chickken & rice bog. Good memories and sorry he passed on so young. Condolences to his family.
