“ Dearest Maxine and All of the Woodward Family, it's no secret Woody was a very special man, and he will be missed. We have such sweet memories with your family, and pray God's comfort be with you all during this loss. The service was BEAUTIFUL, and very deserving for an American Soldier. We love you and are here for you. With Love, Larry, Angie and Paris Robbins

“ When you live away from someone you know who passes away it sometimes does not seem real. Once I read the obituary and saw the really good picture of Woody reality hit and there are no words to express how sorry Robin and I are for your loss and how helpless we feel. The verse that is coming to my mind for you guys about Woody is " I have fought the good fight, I have finished the course" Woody fought long and hard and is able to breathe clearly now and for that I am grateful but I am so sorry for those of you left behind who will miss him until you are reunited with him. Max he was such a good man and good husband to you and God blessed you with 35 years and God allowed Woody to see his baby girl have babies herself. Please know that we will continue to lift you up in the weeks ahead. May the peace of God which passes all of your own understanding help you during the grief process. Much love and hugs from Texas

“ Maxine.....James...Jeffrey...Paula and Family

What a sweet man Woody was...I always loved to talk to him about Horry County's History...I Loved his sense of Humor...He always made me Laugh. I remember about 5 years ago my Dad and Daughter in law died..and I heard his OOGAH horn in our drive way...He brought in a big bag of Chicken Bog from Rivertown Depot's Grill....He reminded my Husband of his Dad....Always giving encouragement and Hugs.

Woody my Friend...We will Miss you very Much

“ So sorry for the families loss. I have fond summer afternoon memories of Mr Woodward asking Jeff about our daily plans. As we explained our schemes and dreams (in great detail) he would just stand there and smile. Often times he would say something like, "well...sounds like you have it all worked out". Then he would chuckle and walk away.

“ My memories of my very special cousin, Wiley, go back to my earlier years as a little boy. He, being 7 years older than me, used to stay with us for weeks at a time. I always looked up to him and loved him. He had pet names for Larry and me. Later, after he joined the Army, I can remember when he would come on leave. Later, as an adult, he was sort of the family patriarch and his house was the "headquarters" every time we went to Conway. He always had the sweetest disposition and I'll ALWAYS have many fond memories. Wiley, I'll see you soon at our family reunion in heaven.
