“ We were shocked to hear about Ski. He was such a nice guy! I can hear him yet at the softball games yelling at Kim to throw "belly button high". I know he will be dearly missed, but just know he has gone to a much better place. Our prayers are with you,

My neighbor I will miss talking to you about your grand kids and seeing you walking the dog. You were always a joy to talk to. God allowed us to meet and be neighbors you will be missed. Thank you for your service to America. Thank you for being a great neighbor. Thank you for all the conversations. Save a laugh for me because one day when my journey on this earth is over I will see you again. Wesley Allan Finkley
