“ To Jerry (the Pharmacist!),....just happened to spot Janie's obituary the other day in the Baltimore Sun. I so enjoyed my time working alongside Janie in Environmental Health; she was always so much fun to be around as well as ever being the consummate professional in the School of Public Health at Hopkins. Janie had a great sense of humor!

You and your family are in my thoughts and prayers at this time of her passing.

My condolences and best wishes,  
Dorothea K. Stieff

“ I have many fond memories of Jane. All of which she is smiling in. She was such a beautiful person - inside and out. The world was a better place with her in it! I especially loved how she adored children and was always making them feel special. She will be greatly missed!!

Our love to Jerry and the rest of her family -

Jerry I am so glad that I knew Jane and that I witnessed your constant loving care and devotion to her. She had a sweet smile when she could no longer respond in words. I will be thinking of you. Anne Duncan
