“ O boy, will this gal be missed! We, her Murray niece and nephews, will always remember her as "Unkie", a rather odd combination of Uncle and Auntie (that may have originated when we all lived together while the dads were in Korea.)

Always ready for a laugh, a turn on the dance floor, a day at the beach, Janey was the one who bound us together on our trips to South Carolina. Full of ideas, of energy, and of love for us all. She leaves quite a legacy!!

Love to you all, cuzins!
