“ *It is with much sadness to hear about Jane's passing. She was loved by so many. I am glad to say I was part of her life; usually having dinner with her and Jim once a week; along with many other close friends. She always had a smile for everyone. Her beautiful blue eyes; I will always remember. She was the love of Jim's life and my thoughts are with him as I write this. Time does heal the loss but never the love in one's heart. . Jim keep all the happy memories close in you heart and rely on God for comfort. .*
