

Jane Trupiano

December 14, 1931 - June 4, 2022

It's impossible to summarize 90 years of an extraordinary life in a few sentences. Our generous, caring, loving, talented, wise beyond words, fiercely independent, beautiful Mother, Jane (Hannelore) Trupiano slipped away quietly to Heaven on June 4, 2022. Her storied life began in Berlin, Germany in 1931, having survived WWII, met and married our Italian-American Father, Joe Trupiano who served our country as a United States Marine for 10 years which included a tour of duty at Pearl Harbor and then went on to complete 20 years in the United States Air Force. She left her homeland and carved a new military life in America with our Dad, stationed in various states over the years. She was an extremely talented seamstress and started her alterations/tailoring business known as Jayne's in Myrtle Beach in the 60's. Our Mom was so talented and enjoyed painting, knitting/crocheting, designing jewelry and crafts. Her daughters, Janet Trupiano and Joan Trupiano benefitted from a joyful and loving upbringing full of travel and adventure. Our Mother showed her love in a million ways, such an inspiration to us and others that crossed her path. She is survived by her two children, Janet Trupiano and Joan Trupiano, one grandchild, Rachael Smith and one great grandchild, Lauren Wyatt.

The family will receive friends and visitors at Goldfinch Funeral Home, Conway Chapel on Thursday, June 16, 2022 from 6:00 PM until 8:00 PM.

“ *She had a smile, that could light up the whole room when she walked in. I love her so much and am so thankful for all the memories i shared with her. Back when i was little, she would make a grilled cheese, and when i'd take a bite of the grilled cheese there would always be a cheesy pull of string and she would take scissors and cut the cheese for me. We would laugh over it for hours. We would bird watch in her living room. And she surely made every family event special. She is so loved, and will be missed very much. I miss you Omi. - Lauren Wyatt <3*
